

SELLING OF THE CHAMETZ 5779/2019:

Jewish tradition forbids our eating, or even owning chametz (leavened food) during Passover.

Therefore, each year the custom of Mechirat Chametz is observed & the chametz is sold to someone not bound by Jewish law.

To have Rabbi Dudai sell your chametz, mail in this form (or drop it at the Rabbi's office) so that it is received

BY Thursday, April 18, 2019.

Contributing money for "Ma'ot Hittim" ("Money for Grain") to provide Passover provisions for the poor is customary;

to donate to this fund, please provide a check made out to CBZ & write Rabbi Dudai/Ma'ot Hittim in Memo.

I, _____, hereby authorize Rabbi Shimon Dudai to sell my chametz

before the first Seder of Passover (Friday, April 19, 2019) according to Jewish Law.
